

## About the Bulls ...

Our sale is one of the few that offer a very select group of Two Year Old Bulls. This pen of bulls were Bred, Fed and Designed to sell as two year olds. These are Not left over yearling or an add-on set of bulls. Our two Year old bulls are out of our Best herd sires and Best cows.

## How they're Fed ...

- We do not creep feed
- After weaning and for their first winter these bulls were fed good quality hay and up to a maximum of eight pounds of screening pellets a day (our pellets come from the Weyburn Inland Terminal. These bulls are fed as yearlings to promote a more natural growth and for moderate gains.
- They went to grass in May and remained on grass until the first part of November.
- As coming Two Year olds they were again fed a practical and sensible diet of hay and pellets (much the same way you would feed your own cattle).
- These bulls have been fed and managed to promote Soundness, Fertility and Longevity.
- We ensure that you can buy with confidence as these two year old bulls will cover more cows over more ground and for more years.
- 

## Buy now and pay in the Fall ...

If you would like a little extra time in paying for your bull(s), maybe we can help. All you have to do is follow these steps.

- Call ahead and make arrangements with Levi.
- Leave a post dated cheque with us at sale time.
- Take your bull(s) home with you on sale day or pick them up within one week of the sale.

## Terms and Conditions ...

### Sight Unseen Purchase Plan

If you would like to buy a bull and are unable to attend the sale, contact any of the consignors and we will try and select a bull or heifer to meet your needs and in your price range. If you are not satisfied with any of the cattle purchased for you this way, you are under no obligation to accept them.

### Trucking

For those buyers that are unable to take their purchased home themselves, we can arrange delivery at a minimal cost.

### Guarantee

Jackson Cattle Co. guarantees to sell you a bull that is structurally sound. Should any of these bulls fail to be a satisfactory breeder, unable to physically service a cow or heifer, a replacement will be provided, or an adjustment will be made to reflect the value of the bull in question, or credit will be given towards the purchase of another bull. We, however, will not provide replacement or adjustment for physical injury or mismanagement. Bearing this in mind, we stress the **importance of having insurance on your bull**. Should you have a problem with your bull, call us right away. We will work with you to make sure you are satisfied with your bull.

### Terms

Unless previously arranged with an individual consignor, terms of this sale are cash or cheque made payable in Canadian funds immediately after the sale. The right of ownership shall not pass from seller to buyer until settlement is made. As soon as the animal is sold it becomes the responsibility of the purchaser.

### Announcements

All announcements made from the auction block will take precedence over the printed matter in this catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

### Certificate of Registry

A certificate of registry duly transferred will be furnished to the buyer by the breed for each registered animal after settlement has been made.

### Accidents

Although every precaution will be taken to protect the comfort and safety of buyers, Jackson Cattle Co. Does not assume any responsibility in this matter and disclaims any liability, legal or otherwise for any incidents occurring on or about the premises.

### Liabilities

All persons attend the sale at their own risk and sellers assume no liability, legal or otherwise for any accidents occurring on or about the premises.

*Welcome to our 10th Annual Bull Sale. It's hard to imagine that it has already been 10 years since we started our first on farm bull sale. When we look back on our first few sales and compare to the last few, it really is quite amazing in how far we have come in just 10 years. The depth of pedigree and consistency and similarity in the body type, structure, performance and muscling in these bulls is impressive.*

*In a time in our industry when every dollar counts, the value in these well grown out two year old bulls will be unequalled. If you paid attention to last years sale, our two year old bulls sold right in line or at even dollars with lots of yearling sales. The difference is that you'll breed more cows and heifers and over larger pasture with less melt down than the yearling bulls at the same dollar investment.*

*We also have an excellent set of calves we're feeding the same way for our 11th sale in 2008.*

*So, call ahead, ask some questions or better yet, come ahead of the sale and have a good look at this top end set of bulls.*

*See you sale day.  
Levi & Carmen*

The bull that has done just about everything right here at JCC. His bulls are powerful and impressive. His daughters are absolutely awesome, with volume and beautiful udders. When we use Mambo on Bomber daughters - nothing but good things happen. National Champion, Reserve Grand Champion Agribition and a number of Division Champions and high sellers.

EPD's	+5.0	+3.0	+0.4	+19	+35	+13	+23

The best part about this bull is his outstanding mother. She has also raised two terrific heifers. The first was an Integrity daughter that sold for \$7,300 and then became Agribition Intermediate Calf Champion. The second was just named Reserve Junior Calf Champion at Agribition 2006.
